RE: **F139 Fibergrate Composite Structures  
Stephenville, TX 76401, U.S.A.**

- 11/01/02 e8 Rigidex Moltruded Grating
- 11/01/02 e8 Safe-T-Span Pultruded Industrial & Pedestrian Grating
- 11/01/02 e8 Dynarail Handrail
- 11/01/02 e8 Dynarail Safety Ladder System
- 11/01/02 e8 Dynaform Structural Shapes
- 11/01/02 e8 Chemplate & Fiberplate
- 11/01/02 e8 EZ Angle Concrete Embedment Angles

This is in reference to your submission dated 1/3/02, concerning the aforementioned materials for which you have requested acceptance for use in federally registered food establishments.

Based on the available information, no objection would be taken to the installation of rigidex moltruded grating, Safe-T-Span pultruded industrial & pedestrian grating, dynarail handrail, dynarail safety ladder system, dynaform structural shapes, chemplate & fiberplate, EZ angle concrete embedment angles in registered establishments with the understanding that the material will be installed in such a manner as to not present a sanitation maintenance problem to the food environment.

This acceptance is not to be misconstrued as an endorsement for this or similar material, and their use in Registered Establishments will depend upon their continued acceptability to all concerned.

.../2

Should any changes occur in the chemical formulation of the aforementioned material, then this acceptance will be considered **NULL** and **VOID**.

Yours truly,

J.J. Donald

RE: **F123 FIBERGRATE CORPORATION**  
30/03/93    e8    Fibergrate FiberPlate  
30/03/93    e8    fibergrate Molded Grating

This is in reference to your letter dated March 29, 1993, concerning the above materials for which you are requesting acceptance for use in Federally Registered Food Establishment.

Based on the present available information, no objection would be taken to the installation of Fiber Plate/Fiber Molded Grating floor grate or plate in registered establishment with the understanding that the material will be installed in such a manner as to not present a sanitation maintenance problem to food environment in food products.

This acceptance is not to be misconstrued as an endorsement for this or similar materials. Their use in Registered Establishment will depend upon their continued acceptability to all concerned.

Should any changes occur either in the formulations of the material, or their intended use, then this acceptance should be considered **NULL** and **VOID**.

Yours truly,

J.J. Donald
